Guidelines for Submissions

The Forecast encourages submissions on topics of interest to practicing forensic economists and the NAFE community of members. All submissions should be amiable and well reasoned in nature, should not refer to subjects of active litigation, and should be approximately 1500 words or less. Submissions should be in Microsoft Word, and all tables and charts should be submitted as part of the MS Word file *and* as separate pdf files. Accepted submissions may need to be edited for space constraints and the production schedule will determine when articles will be published. All submissions can be sent to Nancy Eldredge at nancy@nafe.net. Any questions can be addressed to the editor of *The Forecast*, Lane Hudgins, at lane@lh-analysis.com.
